PROJECT

Lake Greenfield Hotel

Location: Abuja Nigeria | **Period:** 21st -22nd September 2026

The training focused on Marketing, Branding, Organisational Sustainability, and the PPI Framework: Principles, Policy, and Ideology. It equipped the team with practical strategies to generate more revenue, strengthen the hotel's brand, improve organisational performance, and maintain sustainable service standards.

The emphasis was on aligning people with the right principles, policies, and ideology to build a strong organisational culture that supports long-term business growth and sustainability in the competitive hospitality industry.
